

REMARKS

This communication is submitted to provide clarifying and broadening amendments to the claims prior to substantive examination.

No amendment made herein was related to the statutory requirements of patentability unless expressly stated herein. No amendment made was for the purpose of narrowing the scope of any claim unless an argument has been made herein that such amendment has been made to distinguish over a particular reference or combination of references.

In view of this communication, all claims are now believed to be in condition for allowance and such is respectfully requested at an early date.

Respectfully submitted,

Jerry A. Miller
